# **Why I fell in love with Soccer**

## **Soccer Is MY Love**

To My Idols Wayne Rooney and Lionel Messi

# The Beginning

"Clara, I didn't say anything I swear" said Goki. "Are you sure that you swear" said Clara. "I'm sure" I replied.

Two days later

"So I heard the soccer tryouts are today. I wonder if I'll make it and you guys too. Soccer is not fun without friends. You know what I'm saying" said Goki. "No Goki I, don't know what you're saying" said Redhead. "So at the soccer tryouts all of Goki's friends made it on the soccer team. Boy he must be happy" said the coach.

They were at practice for a long time for

.....  
about.....9 hours. So the next day they practiced for 4 hours and then the next day was match day a very big day for Glory United FC. Over 900,000 people came. Some people had to sit on the floor. It was kickoff. Then it was a pass to Goki so then he did the most amazing overhead interception kick. "AAAAAAAAAAAAAAAAAAAAAAAAAH!! I did not think it would happen" said commentator.

## Love Triangle

"goki that was amazing I never knew you were that good at soccer ,and another thing will you go with me to the prom "said Clara ."I said Yes so at home I started freaking out for real I never felt like this for anyone ,and when I say anyone I mean anyone is this love "said goki .This is the song that's playing:

IS THIS LOOOVE! IS THIS LOOOVE! LOVE! I LOVE THE WAY SHE WALKS!

I LOVE THE WAY HER SKIRT IS SHORT! YOUUUUUUUUUUUUUUUUUUUUUUUUUUUUU LOOK BEAUTIFUL TO NIGHT!

"Worst song ever plus it makes me feel worst I hate the radio "said goki

"goki! goki ! say good night to your roommate code 54/64.v" said redhead .

" you're my roommate one thing I have to say don't be to dirty this is a two bedroom house "said goki. "Man you know I know what to do "said redhead.

"your right I should know"said goki

"I get ready for the prom she comes in a limousine I come running but not out of breath yet we dance on the dance floor but things got romancie when the song is this love and I love her at the song I love her, she kisses me but I kind of liked it because it felt weird and I had a little crush on her but I think she had a very very very very very very big crush on me all semester. It was the best moment of my life. "said goki.

I went to sleep dreaming we had it was nasty very nasty

Then me and redhead said ☹ ☹ you wouldn't understand if I told you.

why did you leave me redhead why he is dead he was shot."Next day I learned he was alive I was so happy when I saw him. Sorry what happened "said goki."its okay dude we were just angry at each other"said Redhead.

## New Uniform New Style And Losers

" We should get new uniforms "said goki. The next Day they got new uniforms.

So a few days later it was going to be the championship with Glory United FC & NewRainForest City CF. That was there rival.They were playing at hometown so we were away look at the uniform away and you will remember how there uniform will look .

It was the game and they got to the kickoff but this time it was the big deal these guys had the ball .Not one person was close to get the ball but at 37th minute goki made a interception so he ran and ran and he made the 1st goal for Glory United FC.

But things changed when they scored at the 44th minute it must of hurt the team bad that the home team scored.

So they started the kickoff the ball was was was intercepted then they scored a goal so right now it was like NRFC 2 -1 GLYU. It didn't stop there it was another goal at 49th minute it 3-1 and it end 4-2.

"I Guess I lost anyways but soccer is still what i love."said Goki
