The ghost of the chandelier...

The ghost of the chandelier that appeared hanging from the tree...

The ghost of the chandelier that appeared hanging from the tree during the rainstorm...

The ghost of the chandelier that appeared hanging from the tree during the rainstorm that flooded the field where the trees grew.

The ghost of the chandelier that appeared hanging from the tree during the rainstorm that flooded the field where the trees grew into the wood that the carpenter loved.

The ghost of the chandelier that appeared hanging from the tree during the rainstorm that flooded the field where the trees grew into the wood that the carpenter loved so much that a beautiful wooden chandelier was inspired and painstakingly crafted to softly shed light onto his kitchen table.

The ghost of the chandelier that appeared hanging from the tree during the rainstorm that flooded the field where the trees grew into the wood that the carpenter loved so much that a beautiful wooden chandelier was inspired and painstakingly crafted to softly shed light onto his kitchen table where he sat and observed in a trance like state as it gently swayed in concert with his kitchen's crosswinds.

The ghost of the chandelier that appeared hanging from the tree during the rainstorm that flooded the field where the trees grew into the wood that the carpenter loved so much that a beautiful wooden chandelier was inspired and painstakingly crafted to softly shed light onto his kitchen table where he sat and observed in a trance like state as it gently swayed in concert with his kitchen's crosswind which one day grew into the tornado that fell so in love with the chandelier that it swooped it up and away from the carpenter...

The ghost of the chandelier that appeared hanging from the tree during the rainstorm...The End.
