look at that...the link was created automagically. We will need to test if this also works on the iphone. Once Raefer uploads a file, I will hand him the pen and have him try it bu just typing the URL and pressing enter.

<https://blog.yourknow.com> - YourKnow's blog with information about YourKnow stuff

Raefer really takes a long time to find a simple file to upload when he should have multiple test files ready in both PDF and DOCX.

Sent the corporate fact sheet in DOCX to Skype. Download and then upload .. <https://www.bbc.com>
