

SUMMARY

YourKnow is a cloud-based, social productivity platform where users can collaborate, create, publish, read and share articles, books, projects, scripts, short stories and original works in real-time.

DESCRIPTION

YourKnow is a cloud-based social productivity platform for collaboration, reading, writing and sharing. With YourKnow, you can collaborate in live sessions with people around the world, read works others have published and keep in touch with friends, family and associates. Our multi-device platform enables collaboration or writing anytime, anywhere and in any way one is comfortable whether on a mobile device, laptop or desktop browser.

YourKnow users can easily create a group, invite friends and collaborate or share writings and knowledge. There are many intuitive uses for our platform: students can work on group projects, read textbooks, collaborate and submit assignments; researchers and hobbyists can create and share compilations, notes or findings and instantly publish them; co-workers can produce documents, spreadsheets or presentations in real-time.

Our vision is to cultivate minds, enable global thought and discussion while making knowledge and education available to all.
